Attend Our Leadership Day Event! Leadership day is a special opportunity for our school to open our doors to the community to show off the great things that are happening. Through implementing The Leader in Me process we have built a unique environment where the principles, practices, and habits of The 7 Habits of Highly Effective People® are embedded into our culture. The Leader in Me process defines our school operations, permeates instructional practice and curriculum, and is the basis of a vibrant leadership development approach for both students and staff. Attend this leadership day to be immersed in our leadership culture!
